Dear Stephen and Francine,

Thank you so very much for your continued support of the Fisher House program. We are honored that you have once again selected us as a charity partner for your 4th Annual Fast Cars and Freedom Charity Car Show on the 8th of October. We believe that it is important to show those who have dedicated their lives through service in our Armed Forces that we recognize and appreciate their significant contributions and sacrifices, and care about them, particularly in their time of need. The Fisher House program was established out of this deep respect and admiration. Your ongoing efforts on behalf of Fisher House show that you share those thoughts with us.

Thanks to the tremendous success of events like *Fast Cars and Freedom* and the generosity of great Americans like you, there are now fifty-four Fisher Houses operating on the grounds of every major military and several large Veterans Affairs medical centers across the United States. These houses are uniquely designed to allow families to focus on the healing process, free from the financial worry of finding a place to stay in an unfamiliar city, while a loved one is hospitalized. Built as a gift, these houses serve as a tangible symbol of support for our military and veterans' families.

If any prospective sponsors should ask, Fisher House Foundation, Inc. is recognized by the IRS as a valid 501(c) (3) organization and our tax ID number is 11-3158401. Should you need additional information, please do not hesitate to call me.

Sincerely,
FISHER HOUSE FOUNDATION
